

Bags & Backpacks

Everyday Mesh Tote

HOOK
5.0 mm (H-8)

LEVEL
Beginner

TIME
5-6 hrs

YARN
Worsted weight (#4) cotton

About 11 in (28 cm) wide at the base and 13 in (33 cm) tall, before stretching. Mesh gives with use

Materials

- Worsted weight cotton yarn, about 180 yd (163 m). Cotton holds its shape better than acrylic here
- 5.0 mm (H-8) crochet hook
- Yarn needle
- Stitch marker
- Scissors

Stitch guide (US terms)

ch = chain

sc = single crochet

inc = increase (2 sc in the same stitch)

st = stitch(es)

sp = space

x = times (repeat what is in the parentheses)

Pattern

Base (oval)

Work in a spiral without joining. Mark the first stitch of each round.

Rnd 1	ch 27. Work 3 sc in 2nd ch from hook, sc in next 24 ch, 3 sc in the last ch, then working along the other side of the chain: sc in next 24 ch	(54)
Rnd 2	inc in each of the next 3 st, sc in next 24 st, inc in each of the next 3 st, sc in next 24 st	(60)
Rnd 3	(sc, inc) x 3, sc in next 24 st, (sc, inc) x 3, sc in next 24 st	(66)
Rnd 4	(sc in next 2 st, inc) x 3, sc in next 24 st, (sc in next 2 st, inc) x 3, sc in next 24 st	(72)
Rnd 5	(sc in next 3 st, inc) x 3, sc in next 24 st, (sc in next 3 st, inc) x 3, sc in next 24 st	(78)
Rnd 6	(sc in next 4 st, inc) x 3, sc in next 24 st, (sc in next 4 st, inc) x 3, sc in next 24 st	(84)
Rnd 7	(sc in next 5 st, inc) x 3, sc in next 24 st, (sc in next 5 st, inc) x 3, sc in next 24 st	(90)
Rnd 8	(sc in next 6 st, inc) x 3, sc in next 24 st, (sc in next 6 st, inc) x 3, sc in next 24 st	(96)

Mesh walls

Rnd 9	*sc in next st, ch 1, skip next st* x 48 (48 sc and 48 ch-1 sp)	(96)
Rnds 10-32	*sc in next ch-1 sp, ch 1* x 48 (48 ch-1 sp). Repeat this round 23 times, or until the bag is as tall as you like	(96)
Rnd 33	sc in each sc and in each ch-1 sp around (96)	(96)

Handles and top edge

Rnd 34	(sc in next 28 st, ch 40, skip next 20 st) x 2. Lay the bag flat and line up the two 20 st gaps so each one is centered on a long side	(136)
Rnd 35	sc in each st and in each ch around (136)	(136)
Rnd 36	sc in each st around (136). Fasten off and weave in the end	(136)

Finishing

1. Weave in all the ends.
2. Wet the bag with lukewarm water, shape it flat and let it dry. This evens out the mesh and sets the shape.

Tips

- Mesh stretches with weight. If you plan to carry heavy things, work the last 3 rounds of the walls in plain sc.
- Keep the ch-1 spaces loose so the mesh stays open and soft.
- For a longer tote, repeat Rnd 10 more times. The handles need no other change.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
