SECTION 1

10-Min Activities

12 ready-to-run activities. Only a board and a marker needed.

#	ACTIVITY	STEPS
1	Hot Seat	Split the class into two teams. One student sits with their back to the board. Write a word on the board; teammates define it without saying it. First correct guess scores. Rotate the seat.
2	Two Truths and a Lie	Write three sentences about yourself on the board, one false. Students vote. Then in pairs they write their own and read them to a partner.
3	Alphabet Brainstorm	Choose a topic (food, jobs, animals). Students list one word for as many letters of the alphabet as possible in 4 minutes. Compare in pairs, then as a class.
4	Story Chain	Start a story with one sentence. Each student adds one sentence in turn. Stop after 8-10 contributions and read the story aloud.
5	Mime and Guess	A student mimes a verb or job; the class guesses in a full sentence ("You are cooking!"). The guesser mimes next.
6	Word Ladder	Write a word. Students change one letter to make a new word (cat - hat - hit - hip). Pairs race to make the longest ladder in 3 minutes.
7	Find Someone Who	Students write 5 questions on a topic ("Find someone who has a pet"). They walk around asking and noting names. Share the best answers.
8	Picture in Words	Describe a simple scene aloud in 6 sentences. Students draw it. Then a volunteer describes a scene for the class to draw.
9	Categories Race	Draw a grid with 4 categories. Say a letter. Teams fill one word per category starting with it. One point per unique word.
10	Dictation Relay	Stick or write 5 short sentences on the board. Runners read, memorize and dictate to a writer in pairs. Check spelling together.
11	Odd One Out	Write 4 words on the board, three related. Students say which does not belong and why. Pairs then create their own sets for another pair.
12	Five-Sentence Journal	Write a prompt ("My perfect weekend"). Students write exactly five sentences in 5 minutes and read one to a neighbor.

Tip

Pick one activity as a settle-down opener and one as a closer. Time each with the clock on the wall.

SECTION 2

20-Min Backup Lessons

5 complete mini-lessons. No copies, no prep.

Lesson 1 • Describe Your Day

Goal: use present simple for routines. **Steps:** (3 min) Write 6 time words on the board: always, usually, often, sometimes, rarely, never. (5 min) Model: "I usually get up at 7." (7 min) In groups of 3, read sentences; others guess the lies with "I think that is false because...". (3 min) Reflect: which verbs were hard?

Lesson 4 • Plan a Perfect Trip

Goal: future with going to. **Steps:** (3 min) Model "We are going to visit..." (7 min) Pairs plan a 3-day trip: place, transport, 3 activities per day. (7 min) Pairs present to another pair, who ask two questions. (3 min) Class votes for the best plan.

Lesson 5 • Opinions and Debate

Goal: give opinions and reasons. **Steps:** (3 min) Teach "I think... because...", "I agree / I disagree". (4 min) Write the topic: "Homework should be banned." Students pick a side and note 3 reasons. (9 min) Line-up debate: two lines face each other; speak in turns. (4 min) Free vote and one-sentence reflection.
