Speaking Dice Game

A numbered board from 1 to 6 for each of four categories.

How to use: In groups of 3–4, one student rolls a die twice: the first roll chooses the category column, the second chooses the row. Speak about the prompt for 20 seconds. Use a number from 1 to 4 for the category (re-roll on 5 or 6).

#	1 · ABOUT ME	2 · THE PAST	3 · THE FUTURE	4 · OPINIONS
1	Your favourite place	Last holiday	Plans for tomorrow	Is fast food bad?
2	Your best friend	Your first day at school	Your dream job	Should school start later?

Rules

- 1 Roll twice** — first for the category, then for the row.
- 2 Speak for 20 seconds** — keep going with at least three sentences.
- 3 Score a point** — if you speak the full time without switching to your own language.
- 4 Ask a follow-up** — the player on your left asks one question about what you said.

Group score

☐ Player 1: _____ Player 2: _____

☐ Player 3: _____ Player 4: _____

Topic Spinner

A wheel of 12 everyday topics for instant speaking practice.

How to use: Place a pencil with a paperclip on the centre of the wheel, or roll two dice and add them (for 2–12, use topic = total, and 1 + roll for the extra topic). Students speak for 45 seconds on the topic they land on.

#	TOPIC	#	TOPIC	#	TOPIC
1	Food	2	Travel	3	Family
4	School	5	Hobbies	6	Weather
7	Technology	8	Shopping	9	Sport
10	Animals	11	Holidays	12	Work

Rules

- 1 Spin or roll** — find your topic number in the table.
- 2 Prepare for 15 seconds** — think of three things to say.
- 3 Speak for 45 seconds** — your group listens and counts your sentences.
- 4 Question time** — the listeners ask two quick questions.

Make it harder

Add a rule: use two past-tense verbs and one “because” sentence in your answer.

Make it easier

Let students use the prompt words: *I like..., I often..., My favourite...*

Talk for 30 Seconds

24 topics and a score sheet for a quick, competitive speaking game.

How to use: Cut out the topic cards. A student draws one and talks for 30 seconds without stopping. A partner times it and counts the hesitations. Write the results on the score sheet.

Pizza	A scary moment	My bag	Winter
A funny animal	My best holiday	A sports match	My bedroom

The internet	A restaurant	My morning	A lost item

PLAYER	ROUND 1	ROUND 2	ROUND 3	ROUND 4	TOTAL

Scoring: 1 point for talking the full 30 seconds, +1 for no long pauses, +1 for one extra detail or example.

Question Chain

A chain game where every answer leads to the next question.

How to use: Sit in a circle or in groups. The first student asks a question to the student on their left. That student answers, then asks a new question to the next student, and so on.

Rules

- 1 **Answer in a full sentence** — not just “yes” or “no”.
- 2 **Link your question** — it must use a word from the answer you just heard.
- 3 **No repeats** — you cannot ask a question that was already asked.
- 4 **Keep the chain alive** — the group aims for 10 links in a row without a pause.

Three example chains

Chain 1 • Food

A: What did you eat for breakfast? → B: I ate toast and an egg. What is your favourite egg dish? → C: I love an omelette. How do you make a good omelette? → D: You need three eggs and some cheese. Where do you buy cheese?

How to use: Write student names in the first column. After each speaking activity, tick or write a short note in the column that fits (fluency, accuracy, vocabulary, participation). Use a new sheet each month.
