Sea animals

Name: _____

Date: _____

Follow the steps and make a paper plate fish.

Materials

You need: one paper plate, scissors, glue, crayons, and a piece of coloured paper.

- 1 Cut a triangle out of the plate.
- 2 Glue the triangle to the back. It is the tail.
- 3 Colour the fish.
- 4 Cut a circle from the coloured paper. It is the eye.
- 5 Glue the eye on the fish.

Draw your fish's friends in the sea.
