

Origami Boat

Folding instructions

Name: _____

Date: _____

Fold a paper boat. Use the steps and the word box.

Materials

You need: one rectangular sheet of paper and a pen to decorate your boat.

- 1 Fold the paper in half from top to bottom.
- 2 Fold it in half again to make a crease, then open it.
- 3 Fold the top corners to the middle.
- 4 Fold the bottom edges up on both sides.
- 5 Open the bottom and flatten it into a diamond.
- 6 Fold the corners up and pull the sides apart.

Draw a flag, a sun and waves around your boat.
