

Festival of Lights Craft

Festivals

Name: _____

Date: _____

Follow the steps to make a paper lantern.

- 1 Take a sheet of coloured paper.
- 2 Fold it in half the long way.
- 3 Cut lines from the fold, but not to the edge.
- 4 Open the paper and make a tube.
- 5 Glue the sides together.
- 6 Stick on a paper handle.

Draw your lantern and colour it.
