

Past Passive: Story of a Castle

Reading with past passive

Name: _____

Date: _____

Read the text, then answer true or false.

The Old Castle

The castle was built in 1200 by a powerful king. It was surrounded by a deep river. Many battles were fought there. In 1650 the castle was badly damaged by fire. It was repaired, and the walls were made stronger. Today the castle is visited by thousands of tourists every year. A museum was opened inside it in 1990.
