Read the text and use the clues around each word to work out its meaning.

The Lost Umbrella

It was pouring when Maya left school, and her umbrella was nowhere to be found. She searched her locker, her bag and the classroom, but it had vanished. Her friend Ben offered to share his, yet his umbrella was tiny and they both got soaked. Maya felt ridiculous, walking home with water dripping from her hair. The next morning she discovered the umbrella in the library, exactly where she had left it. She laughed at her own forgetfulness.
