The Quiet Library

Before exams, Leo studies in the library because it is tranquil. No one speaks above a whisper, so he can concentrate for hours. He organises his notes into neat folders and makes a timetable to avoid last-minute panic. When he feels stuck, he takes a short stroll between the shelves to clear his head. Thanks to this routine, he usually feels well prepared and confident on the day of the test.

- 1 "Tranquil" means _____.
