

Paper Flower Card

Greeting cards

Name: _____

Date: _____

Make a greeting card with a paper flower and write a short message.

Materials

You need: a sheet of thick paper, coloured tissue paper, a green pen, glue, scissors and a pencil.

- 1 Fold the thick paper in half to make a card.
- 2 Cut five circles from the tissue paper.
- 3 Stack the circles and squeeze them in the middle.
- 4 Glue the flower on the front of the card.
- 5 Draw a green stem and two leaves.
- 6 Write a message inside the card.

1 Who is the card for?

2 What message do you write inside?
