

Clay Pinch Pot

Pottery

Name: _____

Date: _____

Read the process and make a small pot.

Materials

You need: a ball of air-dry clay about the size of an orange, a bowl of water, a small tool for decoration and paint.

- 1 Roll the clay into a smooth ball.
 - 2 Press your thumb into the centre, but not all the way to the bottom.
 - 3 Pinch the clay gently while you turn it.
 - 4 Make the walls even and smooth them with a wet finger.
 - 5 Decorate the pot with the tool and let it dry for two days.
 - 6 Paint it with your favourite colours.
-
- 1 You make the walls even by _____ the clay.
a) pinching b) cutting c) burning
 - 2 You let the pot dry for _____.
a) two days b) two minutes c) two years
