

A Wedding Day

Weddings

Name: _____

Date: _____

Read the text and decide if each sentence is true or false.

Anna and Mark got married on a sunny Saturday in June. The ceremony was in a small garden, and about sixty guests came. Anna wore a simple white dress, and Mark wore a dark blue suit. After the ceremony, everyone ate lunch under the trees. Then Mark's brother made a funny speech, and the couple cut a large cake. The party ended late with music and dancing.
