A life in music

Elena was born in a small village. At the age of six, she found an old violin in her grandfather's attic and taught herself to play. When she turned eighteen, she moved to the capital, where she studied at a conservatory. After years of hard work, she joined an orchestra and travelled the world. She never forgot her village and returned every summer to give free concerts.

1 Where did Elena find the violin?

2 What did she do at eighteen?

3 What did she do every summer?

1 Elena took lessons from a teacher as a child. T / F

2 She travelled the world with an orchestra. T / F
