Narrative with present perfect

Name: _____

Date: _____

Read the story and complete the sentences.

Daniel has just opened a small bakery. He has worked in kitchens for fifteen years, but he has never had his own business before. So far he has hired two assistants and has designed a menu of twelve breads. He has not advertised yet, but people have already started to queue outside every morning.

- 1 Daniel has _____ for fifteen years.
- 2 He has never _____ his own business before.
- 3 He has hired _____ assistants.
- 4 People have already started to _____ outside.
