Read the text and guess the meaning of each word from the context.

The Lighthouse Keeper

Old Samuel lived alone in a lighthouse on a remote island, miles from the nearest town. Every evening he climbed the spiral staircase to switch on the lamp, whose beam guided ships safely past the jagged rocks. During storms the waves hammered the tower, yet Samuel stayed calm and resolute. He often said that solitude had taught him patience. When the boat finally brought supplies each month, he welcomed the crew with a warm smile.

- 1 "Remote" means _____.
