The Old Photograph

While clearing the attic, Nora stumbled upon a faded photograph of her grandparents on their wedding day. Their expressions were solemn, as was customary at the time, yet their eyes sparkled with joy. She felt a wave of nostalgia and sat on the dusty floor for an hour, remembering Sunday lunches at their cottage. Eventually she framed the picture and hung it in the hallway, a cherished reminder of where she came from.

- 1 "Stumbled upon" means _____.
