

True or False: Ancient Egypt

Reading comprehension

Name: _____

Date: _____

Read the text and write T or F.

The pyramids of Egypt were built as tombs for pharaohs. Thousands of workers cut huge stones and moved them along the river. The Great Pyramid of Giza was the tallest building in the world for almost four thousand years. Scientists still study how the builders organised such a difficult project.

- 1 The pyramids were tombs for pharaohs. T / F
- 2 The stones were moved along the river. T / F
- 3 The Great Pyramid was not very tall. T / F
- 4 Scientists have stopped studying the pyramids. T / F
- 1 Why do scientists still study the pyramids?
