

Carnival Parade Report

Carnival

Name: _____

Date: _____

Read the report and answer the questions.

Last weekend, our town held its annual carnival. Thousands of spectators lined the streets while colourful floats moved slowly through the centre. Dancers in elaborate costumes performed to loud drums, and children threw confetti from the balconies. Although it rained briefly, nobody seemed to mind. By midnight, the crowds had gradually gone home, leaving the streets covered in paper.

1 Who watched the parade?

2 What did the dancers wear?

3 What happened to the weather?

4 What was left in the streets?

1 The carnival happens every year. T / F

2 People left before the parade ended. T / F
