Read the text, then answer the questions in your own words.

Annual festivals play a pivotal role in preserving cultural identity. Although globalisation has diluted certain customs, many communities have deliberately revived age-old rituals to strengthen social ties. Critics argue that commercial sponsorship risks turning heartfelt traditions into mere spectacle. Nevertheless, supporters contend that such funding is indispensable for sustaining events that would otherwise disappear.

- 1 What role do festivals play, according to the text?

- 2 What have some communities done?

- 3 What do critics fear?

- 4 Why do supporters accept sponsorship?
