

CERTIFICATE OF COMPLETION

Certified Resin Seller

Business & marketplace skills — awarded for completing the selling side of a resin craft business.

NAME

This certifies the completion of **The Marketplace Method** and **Brand & Packaging Blueprint**, covering where and how to sell, product photography, pricing and shipping, naming a brand, and packaging that survives shipping — the full business skill set of **Resin Crafting Lab**.

Resin Crafting Lab

This certificate recognizes course completion within Resin Crafting Lab. It is not an external or industry-accredited license.
