Popcorn Lab™ Welcome Kit

100+ printable stickers, labels, wrappers & tags
+ 15 gift-ready packaging ideas

How to print and use your kit

Everything is sized to print on regular US Letter or A4 paper. Choose “Actual size” (100%) when printing so the shapes stay the right size.

1. **Stickers:** print on full-sheet sticker paper (or plain paper + glue stick). Cut along the dotted circles.
2. **Labels:** print on shipping-label paper or plain paper, then fill in the flavor, date and allergen checkboxes by hand.
3. **Bag toppers:** print on card stock, cut, fold on the dashed line over the top of a cellophane bag and staple twice.
4. **Gift tags:** print on card stock, punch the hole, add ribbon.
5. **Wrappers:** print on plain or kraft paper and wrap around a popcorn box, tin or cup.

What is inside: 60 round stickers · 24 labels · 12 bag toppers · 16 gift tags · 8 wrappers = **120 printables**, plus 15 packaging ideas on the last pages.

Allergens: always mark milk, nuts, peanuts, wheat, soy and egg on labels when your recipe includes them.
