Shawls, Wraps & Warmers

The Knitting Bible: +2,000 patterns

Volume 3: Shawls, Wraps & Warmers

> *256 patterns. Every pattern page lists its sizes, yarn amounts, gauge, stitch pattern with chart and step-by-step instructions.*

Before you begin any pattern: knit a gauge swatch in the stitch pattern, wash and block it like the finished piece, then measure. If you have more stitches than the pattern gauge, use a larger needle; if you have fewer, use a smaller one. The stitch counts in each pattern are designed to fit the stitch pattern repeat, so match the gauge first and the sizes will follow. The abbreviations and special techniques are explained in the Start Here guide.

Patterns in this volume: Boot Cuffs, Leg Warmers, Poncho, Shawl, Wrap.

Row 1 (RS): *k2tog x2, yo, K1, yo, K1, yo, K1, yo, ssk x2*; rep from * to end. **Row 2 (WS):** Purl all sts. **Row 3 (RS):** Knit all sts. **Row 4 (WS):** Knit all sts.

Yarn overs are always balanced by a decrease in the same row, so the stitch count stays the same at the end of every row.

INSTRUCTIONS

1. Cast on 72 (83, 94) sts with a long-tail cast-on, using a circular needle if the width needs it.
2. Set-up (WS): Knit 3 sts, work the stitch pattern across the next 66 (77, 88) sts (this is a multiple of 11), knit 3.
3. Keep the first and last 3 sts of every row in garter stitch (knit every row) to stop the edges from curling. Continue in this way, repeating the Stitch Pattern rows, until the piece measures 66 in (72 in, 78 in) from the cast-on edge, ending after a WS row.
4. Knit 4 rows in garter stitch over all sts, then bind off loosely knitwise.
5. Weave in the ends. Wet-block to the finished measurements and let dry flat.

Yarn overs are always balanced by a decrease in the same row, so the stitch count stays the same at the end of every row.

INSTRUCTIONS

1. Make 2 identical rectangles: cast on 72 (83, 94) sts. Work as set (knit 3 sts, stitch pattern, knit 3) until the piece measures 26 in (28 in, 30 in). Bind off loosely.
2. Seaming: Lay one rectangle flat and place the other across it so the corners meet at a right angle, making an L. Seam one long edge of each rectangle to the short edge of the other with mattress stitch, leaving 10 in (10.5 in, 11 in) open in the middle for the neck.
3. Optional: pick up around the neck opening and work 4 rounds of 1x1 rib for a neat finish.
4. Weave in the ends and block flat.
