The Knitting Bible: +2,000 patterns

Volume 4: Cozy Home

> *256 patterns. Every pattern page lists its sizes, yarn amounts, gauge, stitch pattern with chart and step-by-step instructions.*

Before you begin any pattern: knit a gauge swatch in the stitch pattern, wash and block it like the finished piece, then measure. If you have more stitches than the pattern gauge, use a larger needle; if you have fewer, use a smaller one. The stitch counts in each pattern are designed to fit the stitch pattern repeat, so match the gauge first and the sizes will follow. The abbreviations and special techniques are explained in the Start Here guide.

Patterns in this volume: Basket, Pillow Cover, Table Runner, Throw Blanket.

INSTRUCTIONS

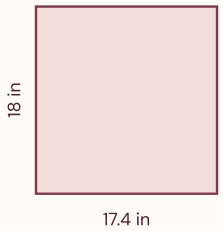

1. Front: Cast on 72 (81, 90) sts. Work as set: knit 3 sts, stitch pattern over the center 66 (75, 84) sts, knit 3. Keep the first and last 3 sts of every row in garter stitch (knit every row) to stop the edges from curling.
2. Work until the front measures 16 in (18 in, 20 in) square. Knit 3 rows and bind off loosely.
3. Back (make 2): Cast on the same number of sts and work the same way until each back panel measures 11.9 in (13.2 in, 14.4 in). Knit 3 rows and bind off.
4. Finishing: Block all pieces. Lay the front face up, place the two back panels face down on top with the finished edges overlapping in the middle and the outer edges aligned with the front. Pin and seam all four sides with mattress stitch or a three-needle method.
5. Turn right side out and insert a pillow form 1-2 in larger than the cover for a plump fit.
