

Baby Crochet

Baby Booties

HOOK
4.0 mm (G-6)

LEVEL
Beginner

TIME
1-2 hrs

YARN
Worsted weight (#4) soft acrylic
or cotton

One size, about 0-6 months. Tube style, about 4.5 in (11.5 cm) around and 6 in (15 cm) tall before folding the cuff (approx.). Foot about 3 in (7.5 cm)

Materials

- Worsted weight soft acrylic or cotton yarn, about 55 yd (50 m)
- 4.0 mm (G-6) crochet hook
- Yarn needle
- Stitch marker
- Scissors

Stitch guide (US terms)

sl st = slip stitch

sc = single crochet

inc = increase (2 sc in the same stitch)

MR = magic ring

st = stitch(es)

x = times (repeat what is in the parentheses)

Pattern

Bootie (make 2)

Worked from the toe up in a spiral, without joining. Mark the first stitch of each round.

Rnd 1	6 sc in MR	(6)
Rnd 2	inc in each st around	(12)
Rnd 3	(sc in next 2 st, inc) x 4	(16)
Rnds 4-12	sc in each st around	(16)
Ankle	You are at the ankle now. Keep working straight up for the leg.	
Rnds 13-24	sc in each st around	(16)
Rnd 25	sl st loosely in each st around (16). Fasten off and weave in the end.	(16)

Finishing

1. Weave in all the ends on the inside.
2. Fold the top 6 rounds (about 1.5 in) of the leg down to the outside to make a cuff.
3. Make the second bootie the same way.
4. Check every yarn end is tucked inside and nothing is loose before the booties go on a baby.

Tips

- These are tube booties with no heel shaping. For a snugger fit that stays on, use a hook one size smaller.
- For a longer foot or leg, add plain rounds (sc in each st around) before the cuff. Every 4 extra rounds add about 1 in (2.5 cm).
- No ties, buttons or pompoms: keep it plain and safe for tiny feet.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
