Stitch guide (US terms)

sc = single crochet

inc = increase (2 sc in the same stitch)

MR = magic ring

st = stitch(es)

x = times (repeat what is in the parentheses)

Pattern

Mitten (make 2)

Worked in a spiral without joining, from the fingertip up. Mark the first stitch of each round. Start with A (soft peach) and change to B (cream) for the cuff.

Rnd 1	6 sc in MR	(6)
Rnd 2	inc in each st around	(12)
Rnd 3	(sc in next 5 st, inc) x 2	(14)
Rnds 4-14	sc in each st around	(14)
Color	Change to B (cream) for the cuff.	
Rnds 15-18	sc in each st around	(14)
Finish	Sl st in the next st. Fasten off and weave in the ends.	

Finishing

1. Weave in all the ends on the inside of each mitten.
2. Make the second mitten the same way (the mittens are identical, there is no left or right).
3. Fold the last 2 rounds of the cuff down if the mitten is too long for the baby's hand.
4. No ties, cords or buttons: these mittens are meant to slip on and off.

Tips

- Keep the fingertip stitches tight so little fingers do not poke through.
- Turn each mitten inside out and check for loose loops before using it.
- For a longer cuff, add plain rounds in B before the last round. Each round adds about 1/4 in (6 mm).
