

Clothing

Beach Cover-Up

HOOK
5.0 mm (H-8)

LEVEL
Intermediate

TIME
11-12 hrs

YARN
Worsted weight (#4) cotton

One size, relaxed fit. About 44 in (112 cm) around and 28 in (71 cm) long, with a wide boat neck of about 12 in (30 cm) and cap-sleeve armholes of about 9 in (23 cm). Measurements are approx.; cotton mesh stretches a little

Materials

- Worsted weight cotton yarn, about 540 yd (491 m). Cotton stays light and dries fast
- 5.0 mm (H-8) crochet hook
- Yarn needle
- Stitch markers or pins
- Scissors

Stitch guide (US terms)

ch = chain

sl st = slip stitch

dc = double crochet

st = stitch(es)

sp = space

x = times (repeat what is in the parentheses)

Pattern

Mesh panel (make 2)

Worked in flat rows. Each row is dc and ch-1 spaces, and every row has 36 dc and 35 ch-1 sp. The last dc of each row goes into the 3rd ch of the turning ch-4 of the row below.

Row 1	ch 73, dc in the 5th ch from hook, *ch 1, skip next ch, dc in next ch* x 34 (36 dc and 35 ch-1 sp)	(71)
Rows 2-56	ch 4 (counts as dc and ch 1), turn, skip the first 2 st, dc in the next dc, *ch 1, skip next ch, dc in next dc* x 34 (36 dc and 35 ch-1 sp)	(71)
Finish	Fasten off and weave in the ends.	

Assembly

Lay the panels flat with right sides together and the top edges matching (the top edge is the last row).

Shoulders	Count 16 st in from each side edge. Seam each shoulder: sl st through both layers across the 16 st, 1 sl st in each pair of st (each dc and ch-1 sp). Leave the middle 39 st open for the neck. Fasten off	(16)
Side seams	With right sides still together, start at the bottom hem and sl st the side edges together for 38 rows (1 sl st in each row-end). Leave the last 18 rows open for the armhole. Repeat on the other side. Weave in the ends	(38)
Finish	Turn right side out.	

Finishing

1. Weave in all the ends.
2. Wet block: soak in cool water, press out the water in a towel and lay flat, pulling gently to open the mesh. Let it dry.
3. Optional: work a round of single crochet around the neck and each armhole, 1 sc in each dc and ch-1 sp.

Tips

- Cotton mesh grows a little in length when wet. Block the panels and measure them before you sew the seams.
- To make it wider, add 2 st (1 more mesh unit) for about every 0.6 in (1.5 cm) of width. Keep an odd number of st per row.
- To make it longer, work 2 rows for every 1 in (2.5 cm) on each panel, and leave the armhole rows at 18.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
