Finishing

1. Sew the head onto the body opening, around all 18 st.
2. Sew the two ears along Rnd 4 of the head, 5 st wide each, with 7 st between them at the front and 7 st at the back.
3. Sew the top end of each front leg to Rnd 10 at the front of the body, 5 st apart. The legs lie along Rnds 4-10.
4. Sew the tail to the back of the body, low, and curve it upward.
5. Embroider the eyes on Rnd 7 of the head, 6 st apart, with two vertical stitches each, 2 rounds tall, in green or gold.
6. Embroider a small pink nose on Rnd 9, centered between the eyes, and a tiny w mouth below it. Add three white whisker stitches on each side of the nose.

7. Weave in all the ends.

Tips

- Black yarn hides stitches. Work in good light and count each round twice.
- Use a white or contrasting stitch marker so you can find the first stitch of every round easily.
- Whiskers are embroidered, not glued. Pull the yarn through the head and knot it inside.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
