sc = single crochet

inc = increase (2 sc in the same stitch)

st = stitch(es)

x = times (repeat what is in the parentheses)

Pattern

Headband (white)

Worked flat in rows, back and forth, in a single strip. Turn at the end of every row.

Row 1 ch 73, sc in 2nd ch from hook and in each ch across (72)

Rows 2-8 ch 1, turn, sc in each st across (72)

Finish Fasten off leaving a long tail. Do not join the ends yet (see the finishing steps).

Ears (make 4, white)

Flat ovals worked in a spiral without joining. Mark the first stitch of each round. Do not stuff.

Rnd 1	ch 13. Work 3 sc in 2nd ch from hook, sc in next 10 ch, 3 sc in the last ch, then working along the other side of the chain: sc in next 10 ch	(26)
Rnd 2	inc in each of the next 3 st, sc in next 10 st, inc in each of the next 3 st, sc in next 10 st	(32)
Rnd 3	(sc, inc) x 3, sc in next 10 st, (sc, inc) x 3, sc in next 10 st	(38)
Finish	Sl st in the next st. Fasten off leaving a long tail for sewing.	

Inner ears (make 2, pink)

Flat ovals worked in a spiral without joining. Do not stuff.

Rnd 1	ch 9. Work 3 sc in 2nd ch from hook, sc in next 6 ch, 3 sc in the last ch, then working along the other side of the chain: sc in next 6 ch	(18)
Rnd 2	inc in each of the next 3 st, sc in next 6 st, inc in each of the next 3 st, sc in next 6 st	(24)
Finish	Sl st in the next st. Fasten off leaving a long tail for sewing.	

Finishing

1. Sew a pink inner ear to the middle of the front of two white ears, about 3/4 in (2 cm) from the top and bottom and 1/4 in (6 mm) from the sides.
2. Optional: place a piece of craft foam or plastic canvas between each decorated ear and a plain white ear.
3. Whip stitch the plain ear to the decorated ear all the way around, with the pink side facing out on the front. You now have two double ears.
4. Bring the two short ends of the band together with the right side out, matching row for row, and sew or sl st them together to make a loop. This seam sits at the back of the head.
5. Find the front of the band, opposite the seam (36 st from it). Sew one ear centered 6 st to the left of that point and the other centered 6 st to the right, so the ear centers are 12 st (about 3.5 in / 9 cm) apart. Each ear base covers about 5 st. Sew the bottom 1 in (2.5 cm) of each ear to the top edge of the band, on the outside.
6. Weave in all the ends.

Tips

- To change the fit, add or remove 7 chains from the starting chain for every 2 in (5 cm) you want to add or take away, then work the same 8 rows. Keep the band about 1 in (2.5 cm) shorter than the head, because sc stretches.

- For a tighter band, work the rows in the back loops only (BLO). It gives a ribbed look with a little more stretch.
- Remove any foam or plastic canvas before you wash the headband, and wash it by hand or on a gentle cycle.
