Pattern

Carrot (orange)

Work in a spiral without joining. Use a stitch marker to mark the first stitch of each round.

Rnd 1	6 sc in MR	(6)
Rnds 2-4	sc in each st around	(6)
Rnd 5	inc in each st around	(12)
Rnds 6-8	sc in each st around	(12)
Stuff	Start stuffing the tip now with small pieces of fiberfill, and keep adding as you go.	
Rnd 9	(sc, inc) x 6	(18)
Rnds 10-12	sc in each st around	(18)
Rnd 13	(sc in next 2 st, inc) x 6	(24)
Rnds 14-18	sc in each st around	(24)
Rnd 19	(sc in next 2 st, dec) x 6	(18)
Rnd 20	(sc, dec) x 6	(12)
Stuff	Stuff the carrot firmly now.	
Rnd 21	dec around	(6)
Finish	Fasten off leaving a long tail. Close the hole.	

Leaves (make 3, green)

Work in a spiral without joining. Use a stitch marker to mark the first stitch of each round.

Rnd 1	6 sc in MR	(6)
Rnds 2-4	sc in each st around	(6)
Rnd 5	(sc, inc) x 3	(9)
Rnds 6-9	sc in each st around	(9)
Finish	Fasten off leaving a long tail for sewing. Do not stuff.	

Finishing

1. Sew the three leaves side by side in a cluster on the wide end of the carrot (the closed end), so the tubes stand upright and lean slightly apart.

2. Embroider four short lines across the carrot with the darker yarn, each about 4 st long, spaced out and staggered, on Rnds 8, 12, 15 and 17.
3. Weave in all the ends.

Tips

- Stuff the narrow tip with very small pieces of fiberfill and push them in with the end of your hook.
- For a curved carrot, bend it gently while stuffing and sew a couple of hidden stitches to hold the curve.
- Leaves are simple tubes. For a more natural look, make one leaf 2 rounds shorter.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
