Finishing

1. Sew the head onto the top of the body, centered.
2. Sew the open end of the carrot to the middle of the face, pointing straight out.
3. Embroider two black eyes about 4 st apart above the carrot, and a smile of five small black stitches in a curve below it. (For toys for children under 3, embroider everything and leave off the carrot.)
4. Embroider three black French knots down the front of the body for the buttons.
5. Sew the twig arms to the sides of the body, one third of the way down from the head, angled slightly up.
6. Wrap the scarf around the neck, overlapping the ends in front by about 1 1/2 in (4 cm), and sew it in place all around.
7. Set the hat on the head, tilt it a little, and sew it on with the brim flat on top of the head. Weave in all the ends.

Tips

- The hat has a ridge where you work Rnd 4 in the back loop only. That ridge makes the crown edge crisp.
- Stuff the body and head firmly so the snowman sits up and does not slump.
- Change colors at the end of the last stitch of the round, so the hat band stays a clean stripe.
