Pattern

Stocking (one flat piece)

Worked back and forth in rows, in one piece. The piece is folded in half at the sole and seamed. Odd rows end at the toe edge and even rows end at the back edge.

Rows 1-5	White: ch 19, sc in 2nd ch from hook and in each ch across (Row 1). Rows 2-5: ch 1, turn, sc in each st across. In the last sc of Row 5, change to red	(90)
Rows 6-35	Red: ch 1, turn, sc in each st across (18 sc). Repeat for 30 rows in all. At the end of Row 35 do not turn yet: ch 13 (this is the start of the foot) and turn	(540)
Row 36	Sc in 2nd ch from hook and in each of the next 11 ch (12 sc), then sc in each of the 18 st of Row 35 (30 sc)	(30)
Rows 37-54	Ch 1, turn, sc in each st across (30 sc). Repeat for 18 rows in all. Row 45, the middle of the foot, is where the piece will fold	(540)
Row 55	Ch 1, turn, sc in the first 18 st only. Leave the last 12 st unworked (18 sc). This starts the back of the stocking	(18)
Rows 56-84	Ch 1, turn, sc in each st across (18 sc). Repeat for 29 rows in all	(522)
Rows 85-89	White: in the last sc of Row 84, change to white. Ch 1, turn, sc in each st across (18 sc). Repeat for 5 rows in all. Fasten off leaving a long tail for sewing	(90)

Finishing

1. Weave in the ends, but leave the long tails at Row 89 and at the start of Row 1 for seaming.
2. Fold the piece in half along Row 45 so that Row 1 lies on top of Row 89, with the right side facing out. Line up the edges and clip them.
3. Seam the leg edge on the toe side: sew or sl st through both layers along the 35 rows of the leg, then across the 12 st of the step, then down the 10 rows of the toe to the fold.
4. Seam the back edge, from the fold at Row 45 up to the top, along about 45 rows. The fold is the sole. Leave the top open.
5. Join white yarn at the top back corner with a sl st, ch 20, and sl st into the same corner to make the hanging loop. Fasten off.
6. Block lightly with a steam iron held above the fabric, without pressing, to even out the stitches.

Tips

- Work the toe-side chain loosely so the step at Row 36 does not pucker.
- Count your sts at the end of every row. Legs are 18 sc and the foot section is 30 sc.
- Sew with a loose, even tension so the seam does not gather the edge. It should lie flat.
