Stitch guide (US terms)

ch = chain

hdc = half double crochet

st = stitch(es)

Pattern

Scarf

Worked flat in rows with hdc. The beginning ch 2 does not count as a stitch.

Row 1 ch 19, hdc in the 3rd ch from hook and in each ch across (17 hdc) **(17)**

Rows 2-100 ch 2, turn, hdc in each st across (17). Repeat this row 99 times **(17)**

Fringe (optional)

Fringe Cut 36 strands of yarn, 14 in (35 cm) long. Fold 2 strands in half, pull the fold through the first st of the end row with your hook, then pull the tails through the loop. Repeat in every other st across (9 tassels per end, 18 in all). Trim the ends even

Finishing

1. Weave in the ends at the start and at the end.
2. Lay the scarf flat, spritz with water and pat it into shape. Let it dry.
3. Add the fringe if you like, then trim it even.

Tips

- Keep the ch 2 turning chain loose, otherwise the edges pull in and the scarf gets narrower.
- Count your 17 stitches at the end of every 10 rows.
- For a longer scarf, keep repeating Row 2. Every 8 rows add about 5 in (13 cm); buy one extra skein to be safe.
