

## Clothing

# Cozy Leg Warmers

**HOOK**  
5.0 mm (H-8)

**LEVEL**  
Beginner

**TIME**  
4-5 hrs

**YARN**  
Worsted weight (#4) acrylic or wool blend

One size, about 16 in (40 cm) long and 12 in (30 cm) around when relaxed. They stretch to about 15 in (38 cm), so they fit most adult calves from about 11 to 15 in (28-38 cm) around. Measurements are approx.

## Materials

- Worsted weight yarn (for both), about 230 yd (209 m)
- 5.0 mm (H-8) crochet hook
- Yarn needle
- Stitch marker
- Scissors

## Stitch guide (US terms)

**ch** = chain

**sl st** = slip stitch

**hdc** = half double crochet

**st** = stitch(es)

**BLO** = back loop only

## Pattern

### Leg warmer (make 2)

Worked in joined rounds without turning. Turning chains do not count as stitches. Working in the back loop only (BLO) makes a stretchy, ribbed look.

|                  |                                                                                                                           |             |
|------------------|---------------------------------------------------------------------------------------------------------------------------|-------------|
| <b>Rnd 1</b>     | ch 40. Join with a sl st to the first ch, being careful not to twist. Ch 2, hdc in each ch around, sl st to the first hdc | <b>(40)</b> |
| <b>Rnds 2-40</b> | ch 2, hdc in BLO of each st around, sl st to the first hdc                                                                | <b>(40)</b> |
| <b>Finish</b>    | Fasten off and weave in the ends.                                                                                         |             |

## Finishing

1. Weave in all the ends.

2. Make the second leg warmer the same way.
3. Wash gently and lay flat to dry. Wear them scrunched down or pulled up over the knee.

## **Tips**

- To make them wider or narrower, add or remove 3 st in the foundation chain for every 1 in (2.5 cm) of circumference.
- For longer warmers work more rounds, 2.5 rounds for every 1 in (2.5 cm).
- Try one on after about 20 rounds to check the fit before you make the rest.
