Stitch guide (US terms)

ch = chain

sl st = slip stitch

sc = single crochet

hdc = half double crochet

dc = double crochet

inc = increase (2 sc in the same stitch)

MR = magic ring

st = stitch(es)

x = times (repeat what is in the parentheses)

Pattern

Center (yellow)

Work in a spiral without joining. Mark the first stitch of each round with a stitch marker.

Rnd 1	6 sc in MR	(6)
Rnd 2	inc in each st around	(12)
Rnd 3	(sc, inc) x 6	(18)
Finish	Sl st in the next st and fasten off yellow. Weave in the tail.	

Petals (white)

Each petal is a chain worked back along itself, then anchored to the center with 2 sl st.

Rnd 4 Join white with a sl st in any st of Rnd 3. *Ch 7, sc in 2nd ch from hook, hdc in next ch, dc in each of the next 2 ch, hdc in next ch, sc in next ch, sl st in each of the next 2 st of the center* x 9 (9 petals)

Finish Join with a sl st to the first st, fasten off and weave in the ends.

Finishing

1. Weave in all the ends on the back.
2. Press lightly with a steam iron (keep the iron above the yarn) so the petals lie flat.
3. Sew or glue on a pin back, magnet or ribbon loop if you want to wear or hang it.

Tips

- If the center curls up like a bowl, your tension is tight. Go up a hook size for Rnds 1-3.
- Make 5 or 6 in different colors and sew them in a row for a spring garland or table runner.
- For bigger petals, chain 9 instead of 7 and work sc, hdc, dc, dc, dc, hdc, sc back along the chain.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
