Finishing

1. Weave in the ends of each egg before you stuff the last rounds, or hide them inside the stuffing.
2. Egg 3: thread a yarn needle with white yarn and embroider about 10 short straight stitches (each about 2 st long) spread around the egg in different directions. Repeat with yellow yarn for 8 more stitches, pulling each stitch just snug.
3. Set the eggs in a bowl or basket. Pinch the closed end flat if you want an egg to stand on a shelf.

Tips

- To change color without a bump, work the last sc of the old color until 2 loops remain on the hook, then pull the new color through. Carry the unused yarn loosely up the inside. The stuffing hides it.
- Keep your stitches even. Eggs look best when the rounds are a little snug.
- These eggs are for decoration and gentle play. Skip the embroidered sprinkles on toys for young children.
