Finishing

1. Sew each inner ear onto the front of an ear, centered, with the pink oval about 1/4 in (6 mm) from the edges.
2. Pinch the open end of each ear flat and sew it to the top of the head on Rnd 3 (18 st around), one on each side, leaving a 3 st gap between the ears at the front and at the back.
3. Sew the head onto the body, centered on the neck end.
4. Sew the arms to the sides of the body just below the head. Sew the feet flat to the bottom front so the bunny sits up.
5. Sew the tail to the back of the body, low.
6. Embroider the eyes on Rnd 7 of the head, 6 st apart. Embroider a small pink nose on Rnd 9, centered between the eyes, and add a tiny Y under the nose for the mouth.
7. Weave in all the ends.

Tips

- Crochet with a hook one size smaller than the yarn label suggests so the stuffing does not show through.
- Count your stitches at the end of every round. The number in parentheses is what you should have.
- Pin every piece in place before you sew it on and check that the bunny sits well on a shelf.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
