Stitch guide (US terms)

ch = chain

sl st = slip stitch

sc = single crochet

inc = increase (2 sc in the same stitch)

st = stitch(es)

x = times (repeat what is in the parentheses)

Pattern

Glove (make 2)

Worked in a spiral without joining. Mark the first stitch of each round.

Rnd 1	ch 22, join with a sl st in the first ch to make a ring (do not twist the chain). Sc in each ch around	(22)
Rnds 2-12	sc in each st around	(22)
Rnd 13	(sc in next 4 st, inc) x 4, sc in next 2 st	(26)
Rnds 14-18	sc in each st around	(26)
Rnd 19	sc in next 4 st, ch 5, skip next 5 st, sc in next 17 st. The 5 ch take the place of the 5 skipped st. This is the thumb hole	(26)
Rnd 20	sc in each st and in each ch around	(26)
Rnds 21-28	sc in each st around	(26)
Finish	Sl st in the next st. Fasten off and weave in the ends.	

Finishing

1. Weave in all the ends.
2. Make the second glove exactly the same. The gloves are identical: turn one so its thumb hole faces the thumb of the other hand.
3. Try them on. If the wrist is loose, thread a length of yarn through the first round and snug it up before you knot it inside.

Tips

- For a longer cuff, add plain rounds before Rnd 13. Every 4 rounds add about 1 in (2.5 cm).
- For a bigger hand, go up a hook size. For a smaller one, go down a hook size.
- Keep the thumb hole chain loose so the thumb slides in without stretching the stitches.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
