

Bags & Backpacks

Flat Market Clutch

HOOK
4.0 mm (G-6)

LEVEL
Beginner

TIME
3-4 hrs

YARN
Worsted weight (#4) cotton

About 9 in (23 cm) wide and 6 in (15 cm) tall, plus a pointed flap that adds about 3 in (7.5 cm). Measurements are approx.

Materials

- Worsted weight cotton yarn, about 80 yd (72 m)
- 4.0 mm (G-6) crochet hook
- Yarn needle
- Scissors
- One 3/4 in (19 mm) button
- Sewing needle and matching thread (for the button)

Stitch guide (US terms)

ch = chain

sc = single crochet

dec = decrease (sc2tog: single crochet 2 together)

st = stitch(es)

Pattern

Body (front, back and flap)

Worked in flat rows in one piece. Turning chains do not count as stitches.

Row 1	ch 33, sc in 2nd ch from hook and in each ch across	(32)
Rows 2-24	ch 1, turn, sc in each st across	(32)
Front	Rows 1-24 are the front of the clutch. Row 24 will be the bottom fold. Keep going without a break.	
Rows 25-48	ch 1, turn, sc in each st across	(32)
Back	Rows 25-48 are the back of the clutch.	
Rows 49-60	Pointed flap: ch 1, turn, dec, sc in each st across to the last 2 st, dec. Repeat this row 12 times in all. Each row has 2 fewer st: 30, 28, 26, 24, 22, 20, 18, 16, 14, 12, 10, 8	(8)
Row 61	Button loop: ch 1, turn, sc in first 3 st, ch 4, skip next 2 st, sc in last 3 st (6 sc and 1 ch-4 loop). Fasten off and weave in the end	(6)

Side seams

Fold the body so rows 1-24 (front) lie on top of rows 25-48 (back). The flap continues past the back top edge and folds down over the front.

Seam 1	Join yarn at a top corner of the front and back, working through both layers. Sc evenly down the side edge, 1 sc in each row-end (24 sc). Fasten off	(24)
Seam 2	Repeat on the other side (24 sc). Weave in the ends	(24)

Finishing

1. Sew the button to the center of the front, about 3 in (7.5 cm) below the top edge, so the loop reaches it when the flap is closed.
2. Weave in all the ends.
3. Optional: block the clutch flat with a little steam so the flap lies neatly.

Tips

- Work tight single crochet with a small hook. A dense fabric makes a clutch that stands up by itself.
- The flap loses 2 st every row. Count at the end of each row: 30, 28, 26 and so on down to 8.
- Block the finished clutch flat with a little steam so the flap and the seams lie neatly.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
