Finishing

1. Hold the chick with the magic ring end on top. Sew the beak to the front of the body on Rnds 9-10, centered.
2. Embroider the eyes on Rnd 8, 3 st on each side of the beak (6 st apart).
3. Sew one wing to each side of the body, with the long side running up and down over Rnds 6-14, 9 st from the center of the face (a quarter of the way around).
4. Sew the feet flat under the front of the body, about 5 st apart, with the toes pointing forward.
5. Make the tuft: cut three pieces of yellow yarn, 3 in (7.5 cm) long. Fold them in half, pull the loop through the magic ring on top of the head with your hook, pull the ends through the loop and tighten. Trim the ends to about 1/2 in (1.3 cm).
6. Weave in all the ends.

Tips

- Use a soft, fuzzy acrylic yarn for an extra fluffy look. Cotton gives a smoother, neater chick.
- If the body is wider than tall, add 1 more plain round before you start decreasing.
- The tuft is a small loose piece. Knot it firmly, or skip it on toys for young children.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
