Finishing

1. Sew the head onto the top of the body, centered.
2. Embroider two black eyes about 4 st apart, and a small smile of white yarn (or dark red) below them, in a curve about 4 st wide.
3. Sew the arms to the sides of the body just below the head, angled a little down and out.
4. Sew the legs to the bottom of the body, about 3 st apart, angled slightly outward.
5. Sew the three buttons in a line down the front of the body, spaced about 1 st apart, with two knots each.

6. Embroider white icing: a wavy line around the end of each arm and each leg, and a wavy line around the top of the head.
7. Optional: fold the ribbon in half, sew the ends to the back of the head, and knot them for a hanging loop. Weave in all the ends.

Tips

- Use a warm brown or ginger yarn. A light caramel brown looks like a fresh baked cookie.
- Keep the limbs firmly stuffed so they stay round like a cookie, not floppy.
- The buttons are sewn on, not glued. Knot each one twice and, for toys for children under 3, embroider circles instead.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
