Rnd 14	(sc, dec) x 6	(12)
Stuff	Stuff the pumpkin firmly now.	
Rnd 15	dec around	(6)
Finish	Fasten off leaving a long tail for sewing. Close the hole.	

Stem (green)

Work in a spiral without joining. Use a stitch marker to mark the first stitch of each round.

Rnd 1	8 sc in MR	(8)
Rnds 2-6	sc in each st around	(8)
Finish	Fasten off leaving a long tail for sewing. Stuff lightly.	

Curly vine (green)

Worked in one row. The extra stitches make the chain curl.

Row 1	ch 21, work 2 sc in the 2nd ch from hook and 2 sc in each ch across (40 sc). Fasten off leaving a tail for sewing	(40)
--------------	---	-------------

Leaf (green)

Flat oval worked in a spiral without joining. Do not stuff.

Rnd 1	ch 6. Work 3 sc in 2nd ch from hook, sc in next 3 ch, 3 sc in the last ch, then working along the other side of the chain: sc in next 3 ch	(12)
Rnd 2	inc in each of the next 3 st, sc in next 3 st, inc in each of the next 3 st, sc in next 3 st	(18)
Finish	Sl st in the next st. Fasten off leaving a long tail for sewing.	

Finishing

1. The magic ring end of the pumpkin is the bottom. The closed end is the top.
2. Sew the stem to the middle of the top, in the small dip. Sew the leaf and the curly vine beside it.
3. Make the ribs: thread a yarn needle with a long piece (about 40 in / 1 m) of orange yarn. Go in at the bottom center, come out at the top center, wrap the yarn around the outside back to the bottom and pull gently until you get a soft groove. Repeat 6 times, evenly spaced (7 st apart around the widest round), then fasten off inside.
4. Embroider the face with black yarn, counting rounds from the magic ring. Eyes: two triangles with the point up, on Rnds 9-11, centers 8 st apart. Work the widest row on Rnd 9 (5 st wide), then Rnd 10 (3 st wide) and Rnd 11 (1 st wide), working straight stitches side by side.
5. Nose: a small triangle with the point up, centered between the eyes, from Rnd 7 (3 st wide) up to Rnd 8 (1 st wide).
6. Mouth: a zigzag smile on Rnds 5-6, 10 st wide, made of 10 straight stitches going up and down between Rnd 5 and Rnd 6, each stitch 1 st wide, forming 5 points.
7. Weave in all the ends.

Tips

- Embroider the face with yarn, never glued-on felt or buttons, so the pumpkin is safe for small hands.
- Pin the face with scraps of yarn first and look at it from a few steps back before you stitch it.
- For a taller pumpkin, work 2 more plain rounds after Rnd 9. The decreases stay the same.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
