Assembly

Lay the panels flat with right sides together and the top edges matching (the top edge is the last row).

Mark	Count 12 st in from each side edge and mark it. The 34 st in the middle are the neck opening	
Shoulders	Seam each shoulder with Color A: sl st through both layers across the 12 st, 1 sl st in each pair of st. Leave the middle unjoined. Fasten off. Do the same at the other side edge	(12)
Neck	Turn right side out. Join Color A at a shoulder seam. Ch 1, sc in each st across the front neck edge (34), sc in each st across the back neck edge (34), sl st to the first sc. Fasten off and weave in the end	(68)

Finishing

1. Weave in all the ends.
2. Steam or wet block lightly and let it dry flat.
3. Try it on the child. There are no ties, buttons or drawstrings, so it is safe to wear.

Tips

- For a bigger child, add 13 st for every 4 in (10 cm) of width and 2 rows for every 1 in (2.5 cm) of length. Keep the neck at 34 st or more.
- Soft, machine-washable acrylic is best for kids. Check the yarn label before you buy.
- Stripes are optional. Make the whole poncho in one color if you like: use the total yarn of all three colors.
