Stitch guide (US terms)

ch = chain

sc = single crochet

inc = increase (2 sc in the same stitch)

st = stitch(es)

Pattern

First leaf and hanging end

Worked in a spiral around the chain. Do not join. Leaves lie flat, no stuffing.

Start	Leave a 6 in (15 cm) tail. Ch 38 (the first 30 ch are the hanging end, the last 8 ch are the base of leaf 1)	
Rnd 1	Working into the last 8 ch only: 3 sc in 2nd ch from hook, sc in next 5 ch, 3 sc in the next ch, then sc in the next 5 ch along the other side of the chain	(16)
Rnd 2	Inc in each of the next 3 st, sc in next 5 st, inc in each of the next 3 st, sc in next 5 st	(22)

Leaves 2-9 (repeat 8 times)

Each leaf is joined to the one before it by a chain of 12.

Link	Ch 20 (the first 12 ch are the link, the last 8 ch are the base of the next leaf)	
Rnd 1	Working into the last 8 ch only: 3 sc in 2nd ch from hook, sc in next 5 ch, 3 sc in the next ch, then sc in the next 5 ch along the other side of the chain	(16)
Rnd 2	Inc in each of the next 3 st, sc in next 5 st, inc in each of the next 3 st, sc in next 5 st	(22)
Repeat	Repeat these 3 lines for leaves 3, 4, 5, 6, 7, 8 and 9 (that makes 8 leaves after leaf 1, 9 in all)	

Second hanging end

Finish After the last leaf, ch 30, fasten off leaving a 6 in (15 cm) tail. Tie a knot in each end, 1 in (2.5 cm) from the tip.

Finishing

1. Weave in the tails at the leaf tips, but leave the two 6 in (15 cm) end tails to tie the garland up.
2. Press each leaf flat with a steam iron (keep the iron above the yarn).
3. Hang it over a mantel, shelf, window or nursery wall, or drape it on a table.

Tips

- To make it longer, repeat the 3 leaf lines more times. Each extra leaf adds about 5.5 in (14 cm).
- Keep the chains loose: a tight chain will curl the garland.
- Make leaves in 2 shades by changing to the second green with a sl st at the end of each leaf.
