Finishing

1. Sew the head onto the body, centered on the neck end (the closed end).
2. Sew one ear to each side of the head on Rnds 4-5, 6 st from the center of the face (a quarter of the way around), angled slightly down.
3. Sew the three wool puffs together in a small triangle, then sew the group to the top of the head, around the magic ring.
4. Sew the four legs to the underside of the body, two in front and two in back, about 5 st apart, so the lamb sits up.

5. Sew the last puff to the back of the body as a tail.
6. Embroider the eyes on Rnd 6 of the head, 5 st apart. Embroider a small pink nose on Rnd 8, centered below the eyes.
7. Weave in all the ends.

Tips

- Work the body with a hook one size smaller than usual so the white stuffing does not show through.
- For a woollier look, brush the white yarn very lightly with a soft pet brush when the lamb is finished.
- Pin the puffs and legs in place first and check that the lamb sits without tipping over.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
