- 3.5 mm (E-4) crochet hook
- Polyester fiberfill
- Yarn needle
- Stitch marker
- Scissors
- 1 split ring or keychain clasp (about 1 in / 2.5 cm)

Stitch guide (US terms)

ch = chain

sc = single crochet

inc = increase (2 sc in the same stitch)

dec = decrease (sc2tog: single crochet 2 together)

MR = magic ring

st = stitch(es)

x = times (repeat what is in the parentheses)

Pattern

Lobes (make 2)

Worked in a spiral without joining, each lobe from its point up. Mark the first stitch of each round.

Rnd 1	6 sc in MR	(6)
Rnd 2	inc in each st around	(12)
Rnd 3	(sc, inc) x 6	(18)
Rnds 4-6	sc in each st around	(18)
Rnd 7	(sc, dec) x 6	(12)
Stuff	Stuff firmly, keeping the lobe egg-shaped.	
Rnd 8	dec around	(6)
Finish	Fasten off leaving a long tail for sewing. Close the hole.	

Loop

Loop	ch 16, sc in the 2nd ch from hook and in each ch across (15 sc). Fasten off leaving tails at both ends	(15)
-------------	--	-------------

Finishing

1. Place the two lobes side by side with their points (the MR ends) touching at the bottom. Tilt each lobe about 25 degrees away from straight up, so the tops leave a small notch between them.
2. Sew the lobes together along the sides that touch, from the points up about 4 rounds, with the long tails.
3. Fold the loop in half and sew both ends into the notch at the top, between the lobes.
4. Slide the split ring or clasp through the loop.
5. Weave in all the ends.

Tips

- Stuff the lobes firmly. A plump lobe holds the heart shape better.
- Sew the loop on with double thread. It carries the weight of your keys.
- This is a key charm, not a toy. Keep it away from babies and small children.
