Finishing

1. Sew the face to the top of the body, centered.
2. Sew the beard to the lower half of the face, letting the bottom of the disc rest on the body.
3. Embroider two small black dots for the eyes, about 3 st apart, above the beard, and a small pink stitch or French knot for the nose.

4. Sew the hat brim to the face all the way around, just above the eyes.
5. Sew the pom to the tip of the hat.
6. Fold the ribbon or cord in half, thread the ends through the tip of the hat under the pom with the yarn needle, and knot them together to make the hanging loop.
7. Weave in all the ends.

Tips

- This is a decoration, not a toy. Keep it away from babies and small children.
- Change colors at the end of the last stitch of the round so the belt stays a clean stripe.
- Stuff the body firmly. A firm body makes the ornament hang and stand straight.
