Stitch guide (US terms)

ch = chain

sl st = slip stitch

hdc = half double crochet

st = stitch(es)

Pattern

Rectangle

Worked in flat rows. The rows run along the long side. Turning chains do not count as stitches.

Row 1	ch 174, hdc in 3rd ch from hook and in each ch across	(172)
Rows 2-38	ch 2, turn, hdc in each st across	(172)
Finish	Fasten off and weave in the ends.	

Assembly

Fold the rectangle in half lengthwise, right sides together, so the foundation chain edge meets the last row edge. The fold runs along the whole long side.

Sleeve 1	Starting at one short end, sl st through both layers along the open edge across 58 st, 1 sl st in each pair of st. Fasten off	(58)
Sleeve 2	Repeat from the other short end (58 st). Leave the middle 56 st open. Weave in the ends	(58)
Finish	Turn the shrug right side out through the open middle.	

Finishing

1. Weave in all the ends.
2. Put your arms through the two sleeve tubes. The unsewn middle drapes across your back and the front stays open.
3. Optional: work a round of single crochet along the open front edges for a neat finish.

Tips

- To change the sleeve length, sew more or fewer stitches of the edge. Every 3 st is about 1 in (2.5 cm). The open middle gets that much narrower or wider, so keep it at 50 st or more.
- For a snuggler sleeve, make the rectangle less tall: work fewer rows. Every 5 rows takes off 2 in (5 cm) of sleeve circumference.
- Wear it over a tank or a dress. It is warm on the shoulders and easy to layer.
