Rnds 38-41	hdc in the back loop only (BLO) in each st around (66). Do not join. Mark the first st	(66)
Finish	Sl st in the next st. Fasten off, leaving a tail, and weave in the end.	

Finishing

1. Weave in the ends on the inside.
2. Fold the ribbed-look brim (the hdc BLO rounds) up once if you want a snugger fit.
3. Optional: steam the beanie lightly on a round bowl to relax the stitches.

Tips

- Measure your head. The beanie should be about 1 in (2.5 cm) smaller than the head measurement. For a smaller or larger head, work fewer or more increase rounds (each 6-stitch round changes the size by about 1.7 in).
- For more slouch, add plain rounds among Rnds 13-36 (4 rounds add 1 in / 2.5 cm of height). For less slouch, work fewer.
- Count your stitches on Rnd 12 (72) and again on Rnd 37 (66).

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
