Rnds 37-38	sc in each st around	(78)
Finish	Sl st in the next st, fasten off and weave in the end.	

Finishing

1. Weave in all the ends.
2. Wet the basket, shape it round and let it dry with something inside it (a jar, or a bowl) so the walls stay straight.
3. If you like, drop the cardboard or plastic canvas circle in the bottom to keep the base flat.

Tips

- Keep your stitches tight. A cotton basket stands up better when the sc are firm. If your base is under 6.5 in (16.5 cm) after Rnd 13, go up a hook size.
- To make it taller, work more plain rounds before Rnd 35. Each 4 rounds adds 1 in (2.5 cm). The handle holes need no other changes.
- Wash by hand and dry flat. Cotton can shrink a little in the first wash.
