Pattern

Flower cup (red)

Work in a spiral without joining. Mark the first stitch of each round with a stitch marker.

Rnd 1	6 sc in MR	(6)
Rnd 2	inc in each st around	(12)
Rnd 3	(sc, inc) x 6	(18)
Rnd 4	(sc in next 2 st, inc) x 6	(24)
Rnds 5-8	sc in each st around	(24)
Rnd 9	(sc in next 2 st, dec) x 6	(18)
Rnd 10	sc in each st around	(18)
Stuff	Stuff the cup lightly with fiberfill.	
Rnd 11	(hdc in next st, dc in next st, hdc in next st) x 6 (6 points). Sl st in the next st and fasten off leaving a long tail	(18)

Stem (green)

Work in a spiral without joining. Mark the first stitch of each round with a stitch marker.

Rnd 1	6 sc in MR	(6)
Rnds 2-29	sc in each st around	(6)
Finish	Fasten off leaving a long tail. Stuff lightly with tiny pieces of fiberfill, pushing them in with the blunt end of your hook.	

Leaves (make 2, green)

Worked in a spiral around a chain. The leaf lies flat, so no stuffing.

Rnd 1	ch 12. Work 3 sc in 2nd ch from hook, sc in next 9 ch, 3 sc in the last ch, then working along the other side of the chain: sc in next 9 ch	(24)
Finish	Sl st in the next st and fasten off leaving a long tail for sewing.	

Finishing

1. Sew the open end of the stem to the bottom (the MR end) of the flower cup, centered.
2. Sew the narrow end of each leaf to the lower third of the stem, on opposite sides, and let the leaves point up.
3. Weave in all the ends. Bend the stem gently to give the tulip a natural curve.

4. Make 3 to 5 in different colors and place them in a small vase or jar.

Tips

- Keep the stem stitches tight (hook one size smaller if needed) so it stays upright.
- Stuff the cup lightly. Over-stuffing pulls the six points open too wide.
- This is a decoration, not a toy. Keep it away from children under 3.

Sizes are approximate and depend on your yarn and tension. The photo is an illustration of the finished piece. For your personal use.
